Thursday 11<sup>th</sup> November 2021

Dear Parents/ Carers

### COVID-19 update

You may notice at the end of today that there are fewer children around on the playground at pick up. Due to a cluster of cases in Y6, after taking advice from Leeds Health, Safety and Wellbeing Team, we have made the difficult decision to close the class until the end of next week. The class has therefore moved to remote learning with immediate effect.

It's clear from the national figures as well as our own experiences here that COVID-19 is not going away any time soon. It is therefore very important that we all continue to be vigilant about symptoms and close contacts, follow all the guidance, take sensible precautions and seek PCR tests whenever appropriate. I am very grateful that as a school we have received such great support and understanding from our families, and this makes the difficult ongoing situation so much better for everyone.

We finally took delivery of our classroom CO<sub>2</sub> monitors this week, and they indicate that classrooms are well-ventilated, and we have reinstated many protective measures that were not required as of September.

As before, all relevant COVID-19 information can be found on the school website on a dedicated page.

Thank you for your ongoing support and understanding in this matter. I will continue to update you as appropriate.

Yours sincerely

**Helen Carpenter**  
Head teacher
