## Key Learning

- I can combine and refine text, sound and graphics (some from the internet) to communicate information to an audience.
- My work will show an understanding of appropriate layouts for different purposes.
- I can choose and create audio files and comment on their effect.
- I can alter images to enhance them.
- I can plan and create a simple animation.
- I understand that evaluation is necessary in order to make improvements to a design, and that technology allows changes to be made quickly and efficiently.
