- To enter data into a spreadsheet cells
- To use clipart tools to add images to cells
- To use spreadsheet tools: lock, move cell, speak and count

Software, Hardware & Web Resources

l pads

The image displays four app icons from the Purple Mash suite, each within a light pink rectangular frame. The first icon, '2Calculate', features a purple grid with numbers and mathematical symbols. The second, '2Do It Yourself', shows a globe with a large number 2 and a hand cursor. The third, '2Connect', depicts a lightbulb with colorful blocks. The fourth, '2Count', shows a collection of fruit (bananas, strawberries, and pears) arranged in a grid. Each icon has the 'purple mash' logo at the top.
